

## **CMRS Board Provided Road Centerline Data**

### **Non-Disclosure Agreement**

I, \_\_\_\_\_, understand as a representative of \_\_\_\_\_, a Kentucky CMRS Board Phase II Certified PSAP or other authorized Public Safety entity that I will have access to information considered to be confidential and proprietary. Such GIS data, shape files, information, and/or documents includes road centerline data submitted to the CMRS Board from Kentucky's Phase II Certified PSAPs in order to meet requirements outlined in CMRS statutes and regulations.

I agree that my access, as well as that of the above listed agency, to road centerline data, shape files, information, and/or documents considered confidential will be subject to the following terms and conditions.

- 1) Our agency (in accordance with 202 KAR 6:010 – 202 KAR 6:100 and KRS 65.7621 – KRS 65.7643), regardless of its source, will protect this information from distribution, disclosure, or dissemination to anyone except as authorized.
- 2) Our agency shall use all road centerline information only for the purpose of performing duties involved in the mission of public safety.
- 3) This agreement shall have no effect regarding information or data that was previously designated as confidential and that has later been released to the public.
- 4) This agreement shall remain in effect throughout our association with the CMRS Board and for a period of two years following separation from it.

Once this agreement is signed and submitted to the CMRS Board office, the Kentucky CMRS Phase II Certified PSAP or other authorized Public Safety entity will receive a CD with applicable road centerline data.
